

CITADEL VALUE SERIES:

A new addition to the Citadel Family. The Value Series a has the look and feel of the traditional Citadel Narrow 4', but with a cost advantage of being a polycarbonate housing, simplified latching clips and economical mounting brackets.

FEATURES & BENEFITS:

Housing

- 5VA (f1) Polycarbonate Gasketed Housing
- UL approved for through wiring
- UL f1 rated (suitable for outdoor use exposure to ultraviolet light)
- Meets UL 746 (suitable for exposure and immersion of water)

Boardtrays

- LED boards are attached to a one piece white steel tray
- Tray securely snaps into stainless steel retainer clips, which are installed in housing
- Integral hanger hook allows suspension of the tray during maintenance & installation
- Nylon safety straps attach the tray and retainer clips for safety and easy maintenance
- Drivers mounted directly to the backside of the housing

Gasket

- "Poured in place", closed cell polyurethane
- Compression recovery of 95-99%
- Will not support fungal growth

Clips and Latches

- Quick easy 1 Piece snap on installation
- 3-Piece Latch Options available
- CAPTIVE Latches, affixed to the housing therefore will not fall off
- Both Available in
 - White POM
 - Marine Grade 316-Stainless Steel
